# *Student Senate*

Deep thought requires little movement.

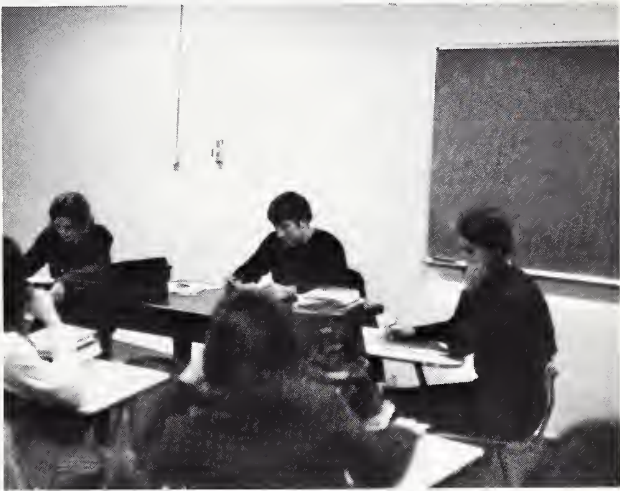

Kathy takes down Joe's dictation.

Senate members concentrated their efforts this year on developing a program that in some way would be of interest to every student in school. The Senate was able to extend its activity programs beyond the scope of holiday dances and picnics .

Included in the program were such events as free flicks in the Dungeon, free rock concert in a local theater, Coffee with the Clergy and with the Brass, sophomore scholarships, gifts for elected kings and queens of dances, and expanded activities for "Crusaders' Days ."

Senators elected from within their group these officers for first semester: Joe Dal Pozzo, president; Margaret Hutchison, vice president; Kathy Claypool, secretary; Terry Long, treasurer .

Officers check budget's limits.

Advisors, senators agree to add snack food machines to the Dungeon.

# *Student Volunteer Corps*

SRC's newest and largest organization is the Student Volunteer Corps. Stan Howard and Steve Ladd's brainchild reached a membership of 137 in its first year of existence. The volunteers' projects included assisting special education teachers in local schools, tutoring and counseling area school children, advising Gra-Y Clubs, aiding the elderly in the Highrise and Sunset Nursing Home, and Operation Oaklawn. The Student Volunteer Corps has resulted in improved cooperation between the community and the college and has given students an opportunity to become involved.

# *SRC Firsts*

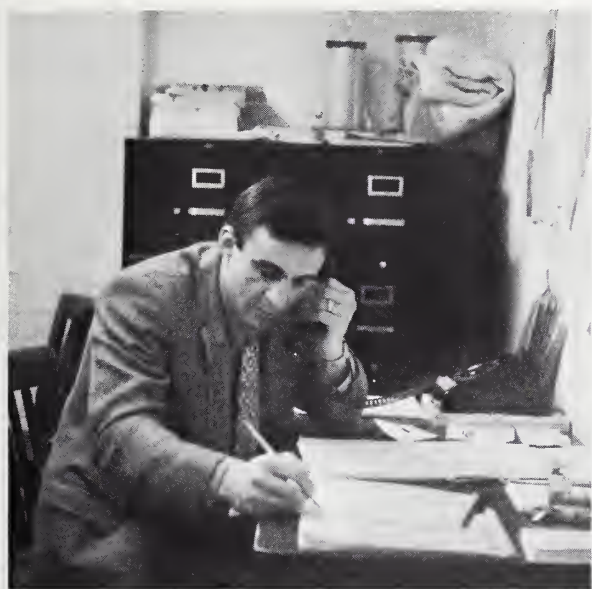

Several "firsts" occurred in SRC's Physical Education Department this year.

It was the first time in the college's history that a woman was appointed to head the department.

Miss Sandra Weeks, department head, also organized the first women's inter-scholastic basketball team. A softball team was also slated to play other colleges this spring.

Miss Sandra Weeks

Coach Ed Georgieff

This was Coach Ed Georgieff's first year as head basketball coach. With the help of several veteran players and hard-working new squad members, the Crusaders had one of their best years, winning 22 games and losing only 13.

The other "first" for the P.E. Department was the addition of Coach Jim Raridon to the staff. Besides assisting Georgieff in basketball, he is head track coach, teaches P.E. classes and assists in other sports.

The 1971 SHIELD was once again completed with the help of a willing staff. After many trials and tribulations (and some laughs, too), the staff of the SHIELD was able to compile this record of the highlights and everyday life during the past year at SRC.

We sincerely thank all of those student and faculty members who helped to bring this yearbook to a reality. A special thank-you goes to Mrs. Marian Guyton, advisor.
